OBJECTIVE

Being raised in the CCSD education system I have benefitted greatly from its powerful will to advance all students, provide a safe learning environment, and deliver career and technical instruction that prepare students for the workforce. I am seeking employment to utilize my unique media skills within CCSD and allow me to give back to the Las Vegas community.

EDUCATION

Associate Degree in Broadcast Journalism | University of Las Vegas Nevada

2018 – CURRENT

Currently attending college, I have maintained a 3.4 GPA average and recently became a director of our News Broadcast Station. After my first semester, I achieved the “Upcoming Broadcast Star in Media” award from Levy Productions, a prominent media creation business in the valley, and was awarded a \$2,500 scholarship for my achievements in video production. I plan to graduate from UNLV in 2022 with a Bachelor’s degree in Broadcast Journalism.

Advanced Honors High School Diploma | Southwest Career & Technical Academy (SWCTA) 2015 – 2018

Graduating with an advanced honors diploma, I was the top of my class in the Video Production program. As director of the SWCTA Route 131 daily show and executive producer, I made a plethora of stories, commercials, PSA’s, graphic design, and other media productions. In 2018, I was awarded the “Video Production Student of the Year” for the culmination of my work over the four-year program. I earned the CTE endorsement and workplace readiness skills attainment.

EXPERIENCE

Grocery & Food Service Associate | Target & Albertsons

2016 – 2019

As a Floor Service Associate at Albertsons and a Grocery team member at Target, I acquired the food handlers card and was responsible for meeting grocery demands of the store.
